

REMARKS

Applicant notes with appreciation the indication of allowance of claims 11 and 12. Solely in order to expedite the prosecution of the present application, claims 1-8 and 13-21 have been cancelled without prejudice, thereby rendering the rejections thereof moot.

The specification has been amended to overcome the objections set forth in the Office Action. No new matter has been added.

Applicant also thanks the Examiner for his time and courtesy during the interview with the Applicant's representative on February 7, 2012. During the interview, the Examiner agreed that the argument presented during the interview with respect to "configured to" would overcome the Examiner's position and claim 1 would be indicated allowable.

Having fully responded to all matters raised in the Office Action, Applicant submits that all claims are in condition for allowance, an indication for which is respectfully solicited. If there are any outstanding issues that might be resolved by an interview or an Examiner's amendment, the Examiner is requested to call Applicant's attorney at the telephone number shown below.

To the extent necessary, a petition for an extension of time under 37 C.F.R. § 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,
